GREGORY OJEDA

GREG

Greg,
Well, we are finally getting out of moreau. After four long years. It has been great being in so many classes with you. It has also been fun seeing you in the plays. You are a fantastic actor. When you make it to Hollywood, remember us little people. Just kidding.
Stay sweet and keep in touch. (782-9576)

Dear Greg,

Hiya! Big Brother! You have been such a good friend to me. Ever since my first show at Moreau you've been there to support and help me. I don't think I could've gotten through all those opening nights without you.

I'm really going to miss you next year. The musical just won't be the same without your jokes and your enthusiasm.

I wish you success in everything you try and May God Bless You.

Love ya Lots,

Aina

Dearest Greg,
I feel like I've known you forever. I hope that now you're leaving you won't forget your favorite Crew person! We have really had some fun times (Except when you slapped me!!) ☺ Ha! Ha! I'm sure you will go on to great successes in life and I wish you the very best (I'm not just using a cliché, I mean it!) Well, I'll won't forget you, come back & visit and Greg, take care! 537-8406

Good luck Love,
Lisette

BE A ★!

Well Greg, I Sure has been fun in Cooking especially dishes! I thank God you were in the Kitchen otherwise our Punk this class!!! I hope you have fun at Chabot (it's better than here) Good Luck in the future!
Take Care & Stay Sweet,
Love,
Lisa

Dear Greg,
Hi! How are you doing? I'm doing pretty good. GOD! It's over! Fuck yeah! You are the extremely good friend & a sweet, funny guy. I like having classes with you because you're fun to gossip with! This summer, let's go to Suzanne's house feed her bad drugs! Scared of you! What are you doing this summer? I have to work, god dammit. I don't know what the hell to say! Well, good luck with all that you do & good luck w/ your acting (when you are a rich & famous star (up there w/ Don Johnson♡!), I promise I'll float!

Love,
Lisa Martin

Dear Greg,
So a good Bring the
I'll miss all the
gossip sessions. It
was great working
with you in the pool.
It wasn't the same without
you Greg. We are a true
partner. I wish you
the best of luck. You deserve
it! Keep in touch.

Greg:
Well, we finally
made it. 4 yrs.

Dear Greg,
Hi! Graduation
is finally here. You
have been a real good
friend ever since
Moran's class sophomore
year. Sorry I never got
to see you in any of the
plays. Well, I know I
will see you someday up
on the big screen. I'll
jump up in the theatre
and yell "Hey! I know
that guy!" When I
go to Anita's house, I
will come visit you too.
Take care, Love,
Ramona G.

Greg,
It's been awesome
knowing you
but unfortunately
there is no time.
Have an awesome

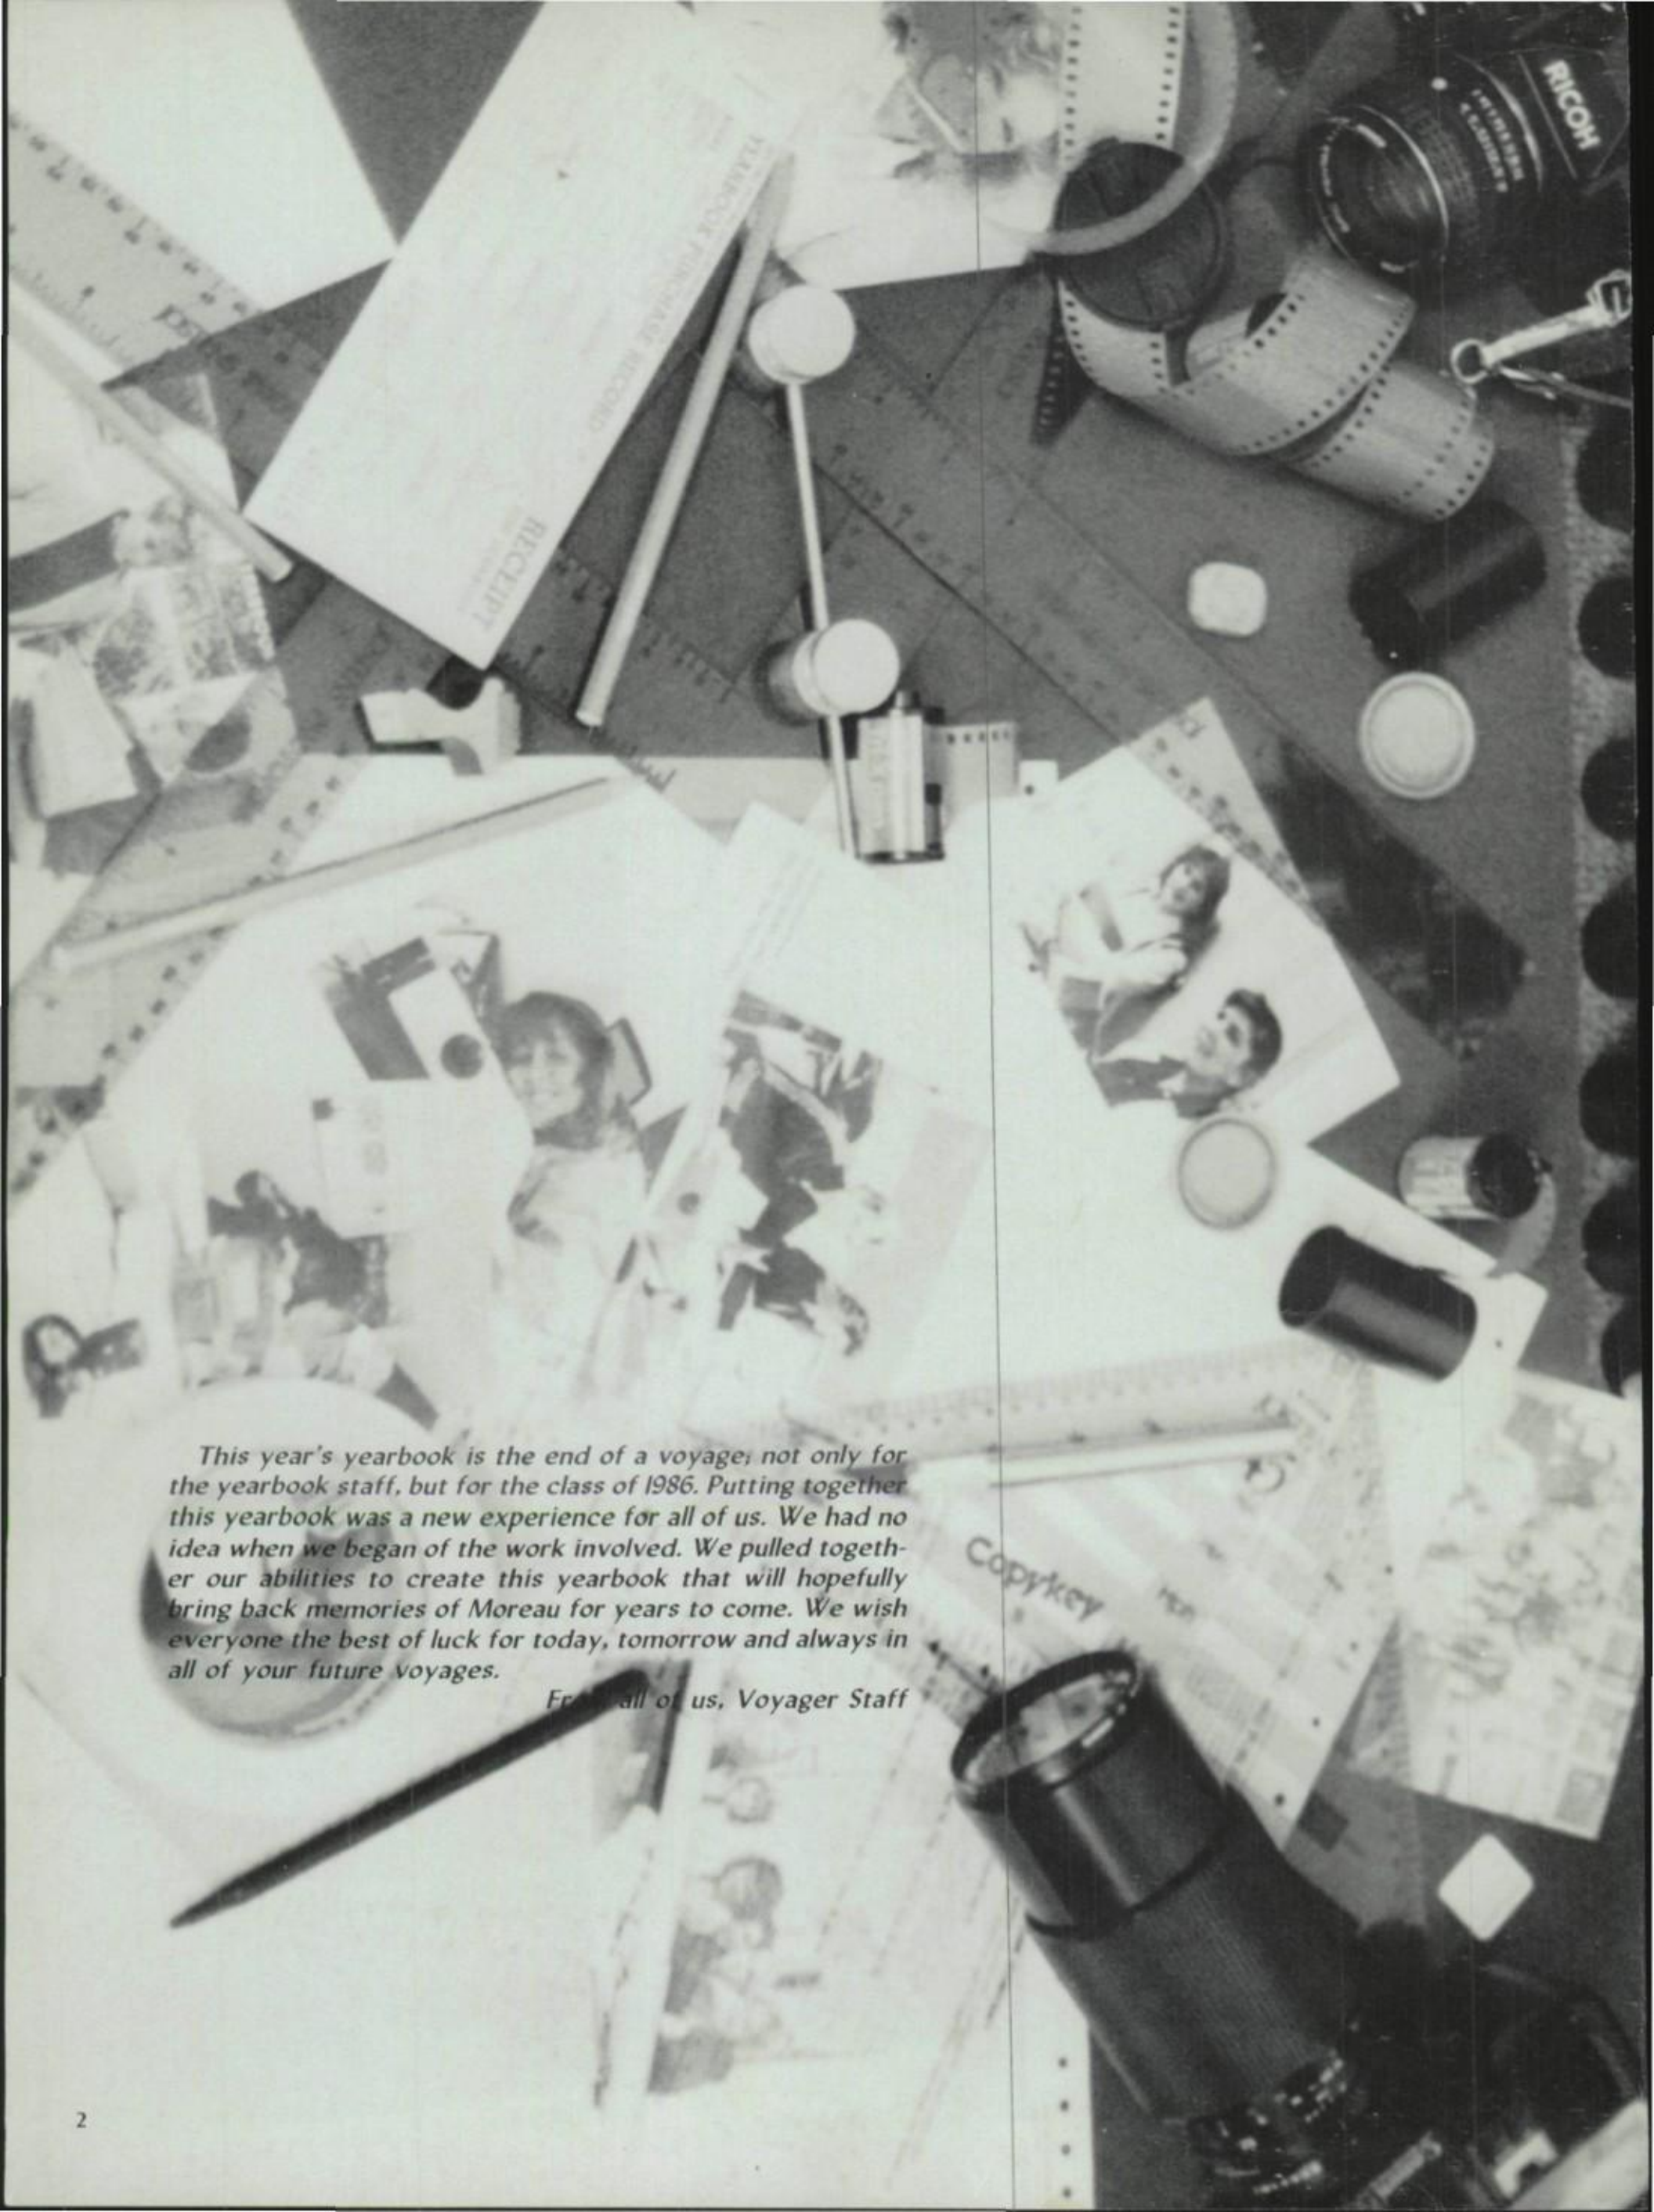
MOREAU HIGH SCHOOL

HAYWARD CALIFORNIA

VOL. 21



This year's yearbook is the end of a voyage; not only for the yearbook staff, but for the class of 1986. Putting together this yearbook was a new experience for all of us. We had no idea when we began of the work involved. We pulled together our abilities to create this yearbook that will hopefully bring back memories of Moreau for years to come. We wish everyone the best of luck for today, tomorrow and always in all of your future voyages.

From all of us, Voyager Staff

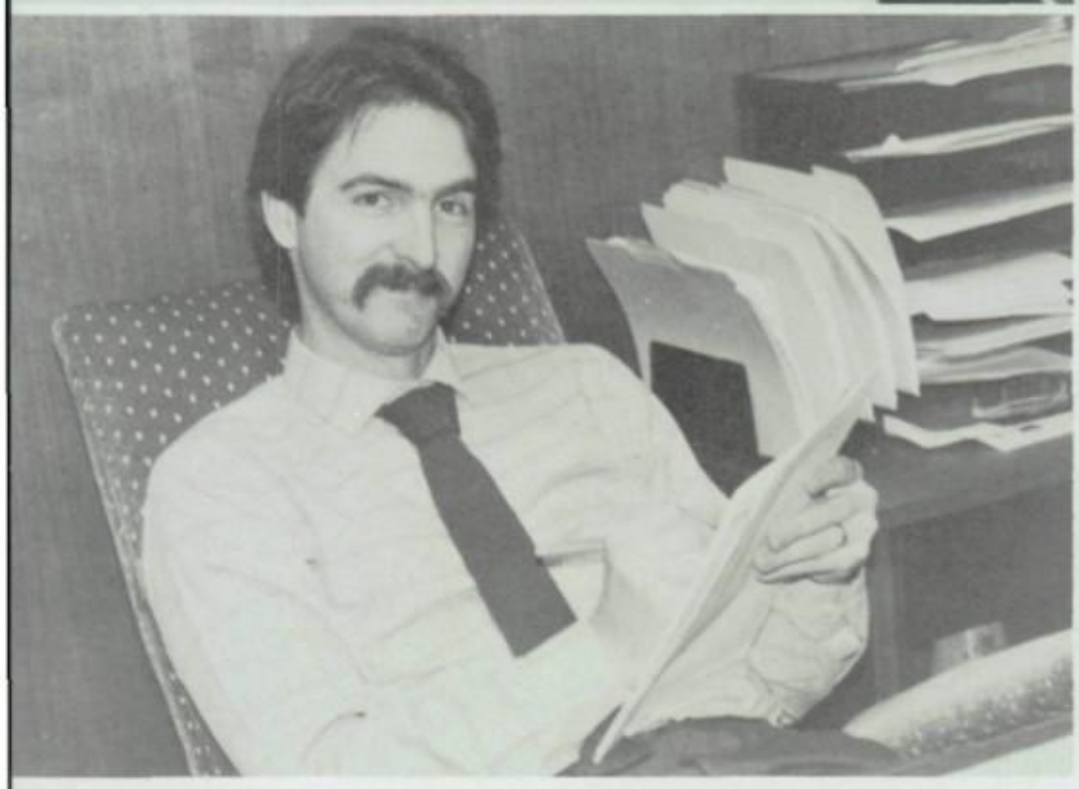
Moreau

MHS

AT THE HELM . . .



I'm sure there's a person in everyone's life who, if allotted a thirty hour day, still wouldn't have enough time to complete what needs to be done . . . and then some! There is one person in Moreau High School — a very important person who fits this description; that person is Brother Joseph Connell, President of MHS.

The office of president is a new position that was created so that Brother Connell can get an overall view of the total school and its supporting church and civic communities, friends, and patrons. It is sensitive to the social, economic, and political realities that pervade the school community.

Brother Joseph's job is to deal with the long range direction ofthe school and its development, finances, goverance, image, and marketing. His leadership will also have several practical considerations as well: (1)reducing the high percentage of tuition income currently required to maintain the level of quality characterized by a Moreau education; (2)creating an endowment and capital reserve to reduce the level of annual tuition increases; (3)ensuring that scholarship funds are available for all qualified students in need of financial assistance; and (4)position Moreau High School so that the institution will remain responsive to the spiritual/academic needs of its students as they are prepared for leadership responsibilities in their church or country.

In his last year at Moreau, Mr. Ed MacIntosh had the opportunity to be principal. As he puts it: "Overseeing the operation of a school such as Moreau is more than an interesting challenge. It is indeed a privilege which I have enjoyed and the memory of which will fill my remaining years.

"My first experience with Moreau as a consultant for the math department occurred the same year that the present graduating seniors entered the first grade. Sometimes it's a challenge to even remember that far back. And every one of those years was a growing, learning experience for me as I hope it was for all those students who also passed this way during all those years.

"Now it's time for me to pass the cudgel of leadership to the next challenger. Good luck and God's blessings on all of you."

James Maxwell, Director of Studies, has a different view of life. Thus, his words of wisdom:

"If anyone has ever maintained that the universe is a pure throw of the dice, then perhaps they ought to study science. How often might a person, after he jumbled a set of letters in a bag, fling them out upon the ground before they would fall into an exact poem, or so much as to make a good discourse in prose! And may not a little book be as easily made by chance as this great volume of the world?

SPIRIT WEEK RESULTS

Due to controversy over the point system for last years Spirit Week, a new one was made up with spirit and halls worth more points. Last year the juniors won the Spirit Stick yet came in third overall. Now with the new system, the class with the most spirit has a good chance to win the Spirit Week.

This years' Spirit Week was one of the best in recent years as everyone yelled their lungs out and dressed up in funny costumes. After fierce competition, the Seniors of 86 took first with the Sophomores second, the Juniors third, and the Freshmen a close fourth.

The themes for Spirit Week were the following: Seniors were Senior International, the Juniors chose Junior Jukebox, the Sophomores had Sophomore L.A. and the Freshmen decided to have Freshman Safari. With those themes the dress up competition looked to be close and it was with the Seniors taking a slight lead with 47.75 points.

Overall, Spirit Week was a big success. It was a year of the Seniors having to clean up their toilet paper mess for the first time ever. Also, it is the last Spirit Week that has classes all in the eighties, as next years freshmen will be the class of 1990. If next years Spirit Week is as successful as this years, the class of 90 is in for a treat.

HOMECOMING

The 1986 Homecoming was full of excitement and enthusiasm. "Even though we were defeated by De La Salle 60-22, Moreau Spirit prevailed. Even when the score was 49-3 in the first half, everyone stayed and cheered anyway. The students and fans really supported us even though we weren't winning and I think that's the whole idea of school spirit", said varsity football player Glenn Baxley.

The good sportsmanship carried over to the dance the following day. The Moreau community cheered on Dixie Harrison and Jeff Marshall as they took the Homecoming Throne. The King and Queen were surrounded by the glowing faces of their court; Senior Princess Molly Woelffer and her escort Jim Antonini, and Princess Tina Canalas and her escort Robert Tatad; Lynette Duran and Tim Downs representing the Junior Class; Michelle Assum and Dan Slone from the Sophomore class; and Sophia Tavares and Joe Schwenger from the Freshmen Class.

After the cameras stopped clicking, the homecoming court and all its subjects danced the night away to some great music. The evening ended with smiles and tears of joy- a perfect close of Spirit Week.

POWDERPUFF

Seniors Prevail

8-6. The score says it all. In a hard fought battle with the Junior Sting, the Senior Express prevailed in this year's Powderpuff football game. The game was played on Saturday, March 8 in less than favorable conditions after a downpour left the field muddy and wet. Despite the weather conditions and an early touchdown by the juniors, the Senior Express was able to come back in the second quarter when quarterback Joan Lynch ran the ball into the end zone to score. A two point conversion was scored by Stacy Pierce to break the tie. By halftime, the Junior Sting had been stung. Helping the defense this year was Jennifer Watson. As she was unable to play her regular position due to a wrist injury, Jennifer became the punter, and placed two kicks well out of scoring range for the juniors. The coaches of this year's team, including head coach Dave Perriera, deserve to be congratulated for the victory as well.

1986

Just Wait 'Til Next Year!

The 1986 Powder Puff game proved to be extremely intense as the Junior Sting, backed by head coaches Tim Slone and Steve Libby, gained the respect of the over-rated Seniors, and disproved the out-dated idea of total Senior dominance at Moreau.

Team unity, high spirits, and determination were key aspects in the Juniors awesome performance! Their offense worked hard against a tough Senior defense, and skillfully broke through for 5 touchdowns, but 4 were drawn back on "penalty" calls. The Sting defense limited the Express offense to one touchdown and the point after. Thereafter, the Seniors never reached sight of the endzone again.

Although the final score read 8 to 6 in favor of the Senior Express, the Juniors demonstrated true dignity and accepted the loss of a deserved victory. As the Junior Sting commended the Seniors of their fine performance, they held their attitudes of pride for a excellently executed game for what they knew was their win, and most importantly for surprising the Seniors and Moreau - against all odds.

Great performances were given by Lisa Alves, Carrie Berlogar, Nanci Quinones, Annie Loggins, Teri Peyton, Lucy Sison, all the coaches, and especially by Chris Roberts for her touchdown charge.

CAMPUS MINISTRY

During the 1985-86 school year the Campus Ministry Team has presented us with many activities: Opening of School Mass, Shepherd's Theatre, Thanksgiving Food Drive, Christmas Gift Drive, Fr. Moreau Day, Baccalaureate Mass and Class Retreats. Wally Mikula serves as Director of Campus Ministry and teaches the Theology of Ministry Class. Paul Placido who has been in the Theology of Ministry Class for two years said, "I get a lot more out of this religion class than any other one and I have had a lot of personal growth experiences." Mr. Schweickert-Stary directs the Christian-Community Service Program at Moreau and also the Key Club. Fr. Rus Shaughnessy OFM, coordinates the Sacramental life of the scho community and assists with the retreat program. Retreats provide chance for students to get away from it all, unwind, be wild, a enjoy the company of friends. This year Campus Ministry hosted over night retreat for seniors. J.B. Brantome attended the retre and replied, "I got a chance to learn to appreciate my friends mo than I have ever before."

INTERACT

The 1985-86 Interact club consists of twenty hardworking members this year. They have and still are living out their motto, "Service above Self," to the best of their ability. Important service projects such as the Christmas party for retarded children and the Christmas banquet for CRIL, (Community Resources for Independent Living), are carefully and fully organized by this club. Not only do these service projects help the students accomplish their eighty service honors, it is also very selfsatisfying.

When asked what being in this international club does for them, Brenda Chermack said "It allows us to work with our community and our world to help provide for the needs of others." Not only does this group help others, they help themselves gain experience and certain qualities which will help them in the future. Tim Fallin added, "It makes me feel very helpful and important to my community. It is also very satisfying to me."

CLOSE UP

Close Up: A program for high school sophomores, juniors, and seniors; allows students to spend a week in Washington D.C. This program gives students the opportunity to achieve a deeper understanding of their government through guest speakers, group discussions, and tours of Washington.

This year 13 Moreau students, all seniors, and their supervisor, Mr. Kossick, participated in this program. They left for Washington on Sunday, February 16, and returned the following Saturday. The students were kept busy with scheduled activities occupying approximately 16 hours of their day.

In Washington D.C., the students became acquainted wi Close Up participants from Texas and other high schools the Bay Area. They discussed differences and similarities teenagers in different states. The students spent a day tou ing Washington, a day on Capitol Hill, and many hours liste ing to speakers such as Congressman Pete Stark.

The students returned from their exciting trip to Washin ton exhausted, but wiser and with a desire to learn mo about and become involved with our government.

R.O.C.

.O.C. (Regional Occupational Center) enables students to e classes outside of Moreau and get hands on experience trade they may want to pursue in the future. R.O.C. vides vocational training for those who want to start k right after graduation or to gain knowledge or exper- e in an area of interest. There are about ten juniors and iors involved in R.O.C. These students keep two sched- ; one for Moreau and one for R.O.C. They attend three iods a day at Moreau either in the morning or afternoon. They are required to take all courses needed to graduate from Moreau and any additional courses needed by the college they wish to attend after graduation. The most popular R.O.C. programs seem to be welding, auto mechanics, vocational nursing, fashion design, sports, medicine and cosmetology. There are also many other programs to choose from. The students involved have to work hard, but seem to be doing a fine job.

Mr. James Patterson returned as moderator of the Senate. A very successful fall blood drive, coordinated by Senate Leader Joan Lynch, got Moreau into the "50 Gallon Club". Moreau was the first high school in the area to donate 50 gallons of blood in one year.

CSF

The California Scholarship Federation (CSF) is a highly regarded organization. The purpose of CSF is to foster high standards of scholarship, service, and citizenship on the part of students of the senior high schools of California. To become a member of CSF, a student must earn a minimum of ten CSF points. Points are given for A's and B's earned in college preparatory courses.

President Courtney Meekma and Vice President Ian Land organize the activities of Moreau's CSF Club. The CSF Club at our school conducts a tutoring program. Through this program, CSF members assist students needing help in college preparatory subjects including: science, mathematics and foreign languages. CSF members donate many hours during lunch and after school to this program. The club is also involved in several other service projects. Another CSF activity is field trips to local college campuses. This year they visited the University of San Francisco and plan to visit more colleges later in the year. The advisors of Moreau's CSF Club are Jim Maxwell and Judy Larson. They are in charge of the administrative aspect of CSF.

ART AND POETRY

You remember the first rally that you attended as a freshman. The bleachers that were so empty during your P.E. class but now have become packed with students.
You remember feeling like a sardine, practically glued to all of your new classmates most of whom you didn't even know their first names.
You remember listening to the person in charge and screaming and yelling whenever they told you to, but if it was not time to talk you would sit quietly.
Even though this all happened four years ago you can remember it well, especially now that you are a senior and you can look across the gym and see how you once were.

Black is white
night is day
things aren't always what they seem.

You've seen him before
The iron hand of the school
The push broom mustache
He walks slow and cool

His hands in his pockets
Or jingling his keys
Murmurs and whispers

The nervous air
Seems to thicken
Some how you know
He knows where you've been
He probably does
He's the Dean of Men

FINE ARTS: ALIVE AND WELL AT MOREAU

This year The Voyager staff decided to set aside a couple of pages to show off the work of some of our talented writers and artists. We are proud to have some outstanding work coming out of our Art and English departments. Unfortunately the accomplishments of these talented people often go unrecognized since they are not as visible as some of the other school activities. We feel that the inclusion of the arts in a school's curriculum is necessary for a truly complete education. Students who excel in this area are a valuable asset to the Moreau community.

Moreau's English and Art Departments offer a variety of courses for aspiring writers and artists. Literature and Film, Science Fiction, Ethnic Literature and 20th Century Literature are but a few of the English courses that students may take. Our Art department has courses ranging from Fashion Design and Commercial Art to Drawing and Painting, and this year saw the development of our first Art History course, an unusual specialty class for a high school to offer.

We applaud the artists and writers of our school, and appreciate the beauty and interest that their creativity adds to our lives.

Small But Full of Jazz

he Jazz Band worked hard all year, starting in September and going through until late May or e. The band was under the direction of Dale Wolford for the third year. This year's band is aller than in past years. There are only fourteen members in this year's jazz band. The ophone section is made up of: Roger Quezada playing baritone saxophone, Johna Escobar Rousalyn Partido playing tenor saxophone, and Marjorie Martin and Tim Crooks playing alto ophone. Beth Johnson, Glenn Dishman, David Timmons and Vanessa Morishige comprise the npet section. In the rhythm section: Teri Amouroux plays piano (electric), Randy Cariveau Charlton Barreto play drums, Helena Partido plays keyboards, and Kevin Smith plays guitar ctric bass). Although they have no brass instruments except the trumpets the jazz band es up for it in the quality of their playing. Their performances included: jazz festivals, Meet reau Day, the Christmas concert, champagne concert, and spring concert. The jazz band will ompany the marching and symphonic bands this year to Canada to participate in the World o '86. I'm sure they will be great representatives.

Size Doesn't Matter

The Mariner Marching Band and Colorguard had another successful season. They put in many hours of practice and in traveling to competitions. Though they were smaller than most other bands the marching band did very well. They swept the Logan and Independence field shows, winning all of the six trophies including: lst place class C, high music, high marching, high percussion, high colorguard, and high general effect. This year the band performed La Fiesta Brava, Down Wind (drum solo), I Go To Rio and Come in from the Rain. The band was lead by director Dale Wolford, drum major Tina Canalas, and colorguard captain Denise Mergel. The other members of the staff that contributed to the bands successful season were marching and maneurvering Mike Anderson, drum instructor Dave Gary and colorguard instructors Terri Sekellick and Andrea Musser. The band is looking forward to more successful seasons and will be going to Canada to perform in the Victoria Days Parade in May.

Switching Gears

Once marching band season is over the band goes indoors. They switch gears from he exhausting practices and competition to a more relaxed parctice schedule high-ghted by a few concerts and some CMEA (California Music Education Association) and festivals. Concert performances by the band include a Christmas concert, a pring concert, and the annual champagne concert. The champagne concert like last ear was shared with the symphonic band from Bishop O'Dowd. This concert allows ompeting schools a chance to get together and perform without the pressure of ompetition or rivalry that often exists. Along with the marching band the symphonic and will be going to Canada and will perform at the World Expo in Vancouver.

"DONE TO DEATH"

Death, murders, violence, and mayhem mixed with humor and sophistication- the setting for Moreau's 1985 Fall Drama, "Done To Death", written by Fred Carmichael. This modern story brings together five murder mystery writers of completely different styles to write plots for a TV series a la "Alfred Hitchcock Presents". All around them, dead bodies fall like toothpicks, and each author tries to figure out whodunit in their own style.

"Done To Death", which was performed four nights in December, combined reality with satire and parody. It was directed by Arlene Hood, director of last year's acclaimed "You Can't Take It With You". The play was improved tremendously by set designer Brian Beacock, stage manager Tim Rogers, prop coordinator Lisa May, excellent lights and sound by Andy Banchieri and Rudy Malanum, and the all-girl stage crew. So whodunit? Nobody. It was all just a spoof.

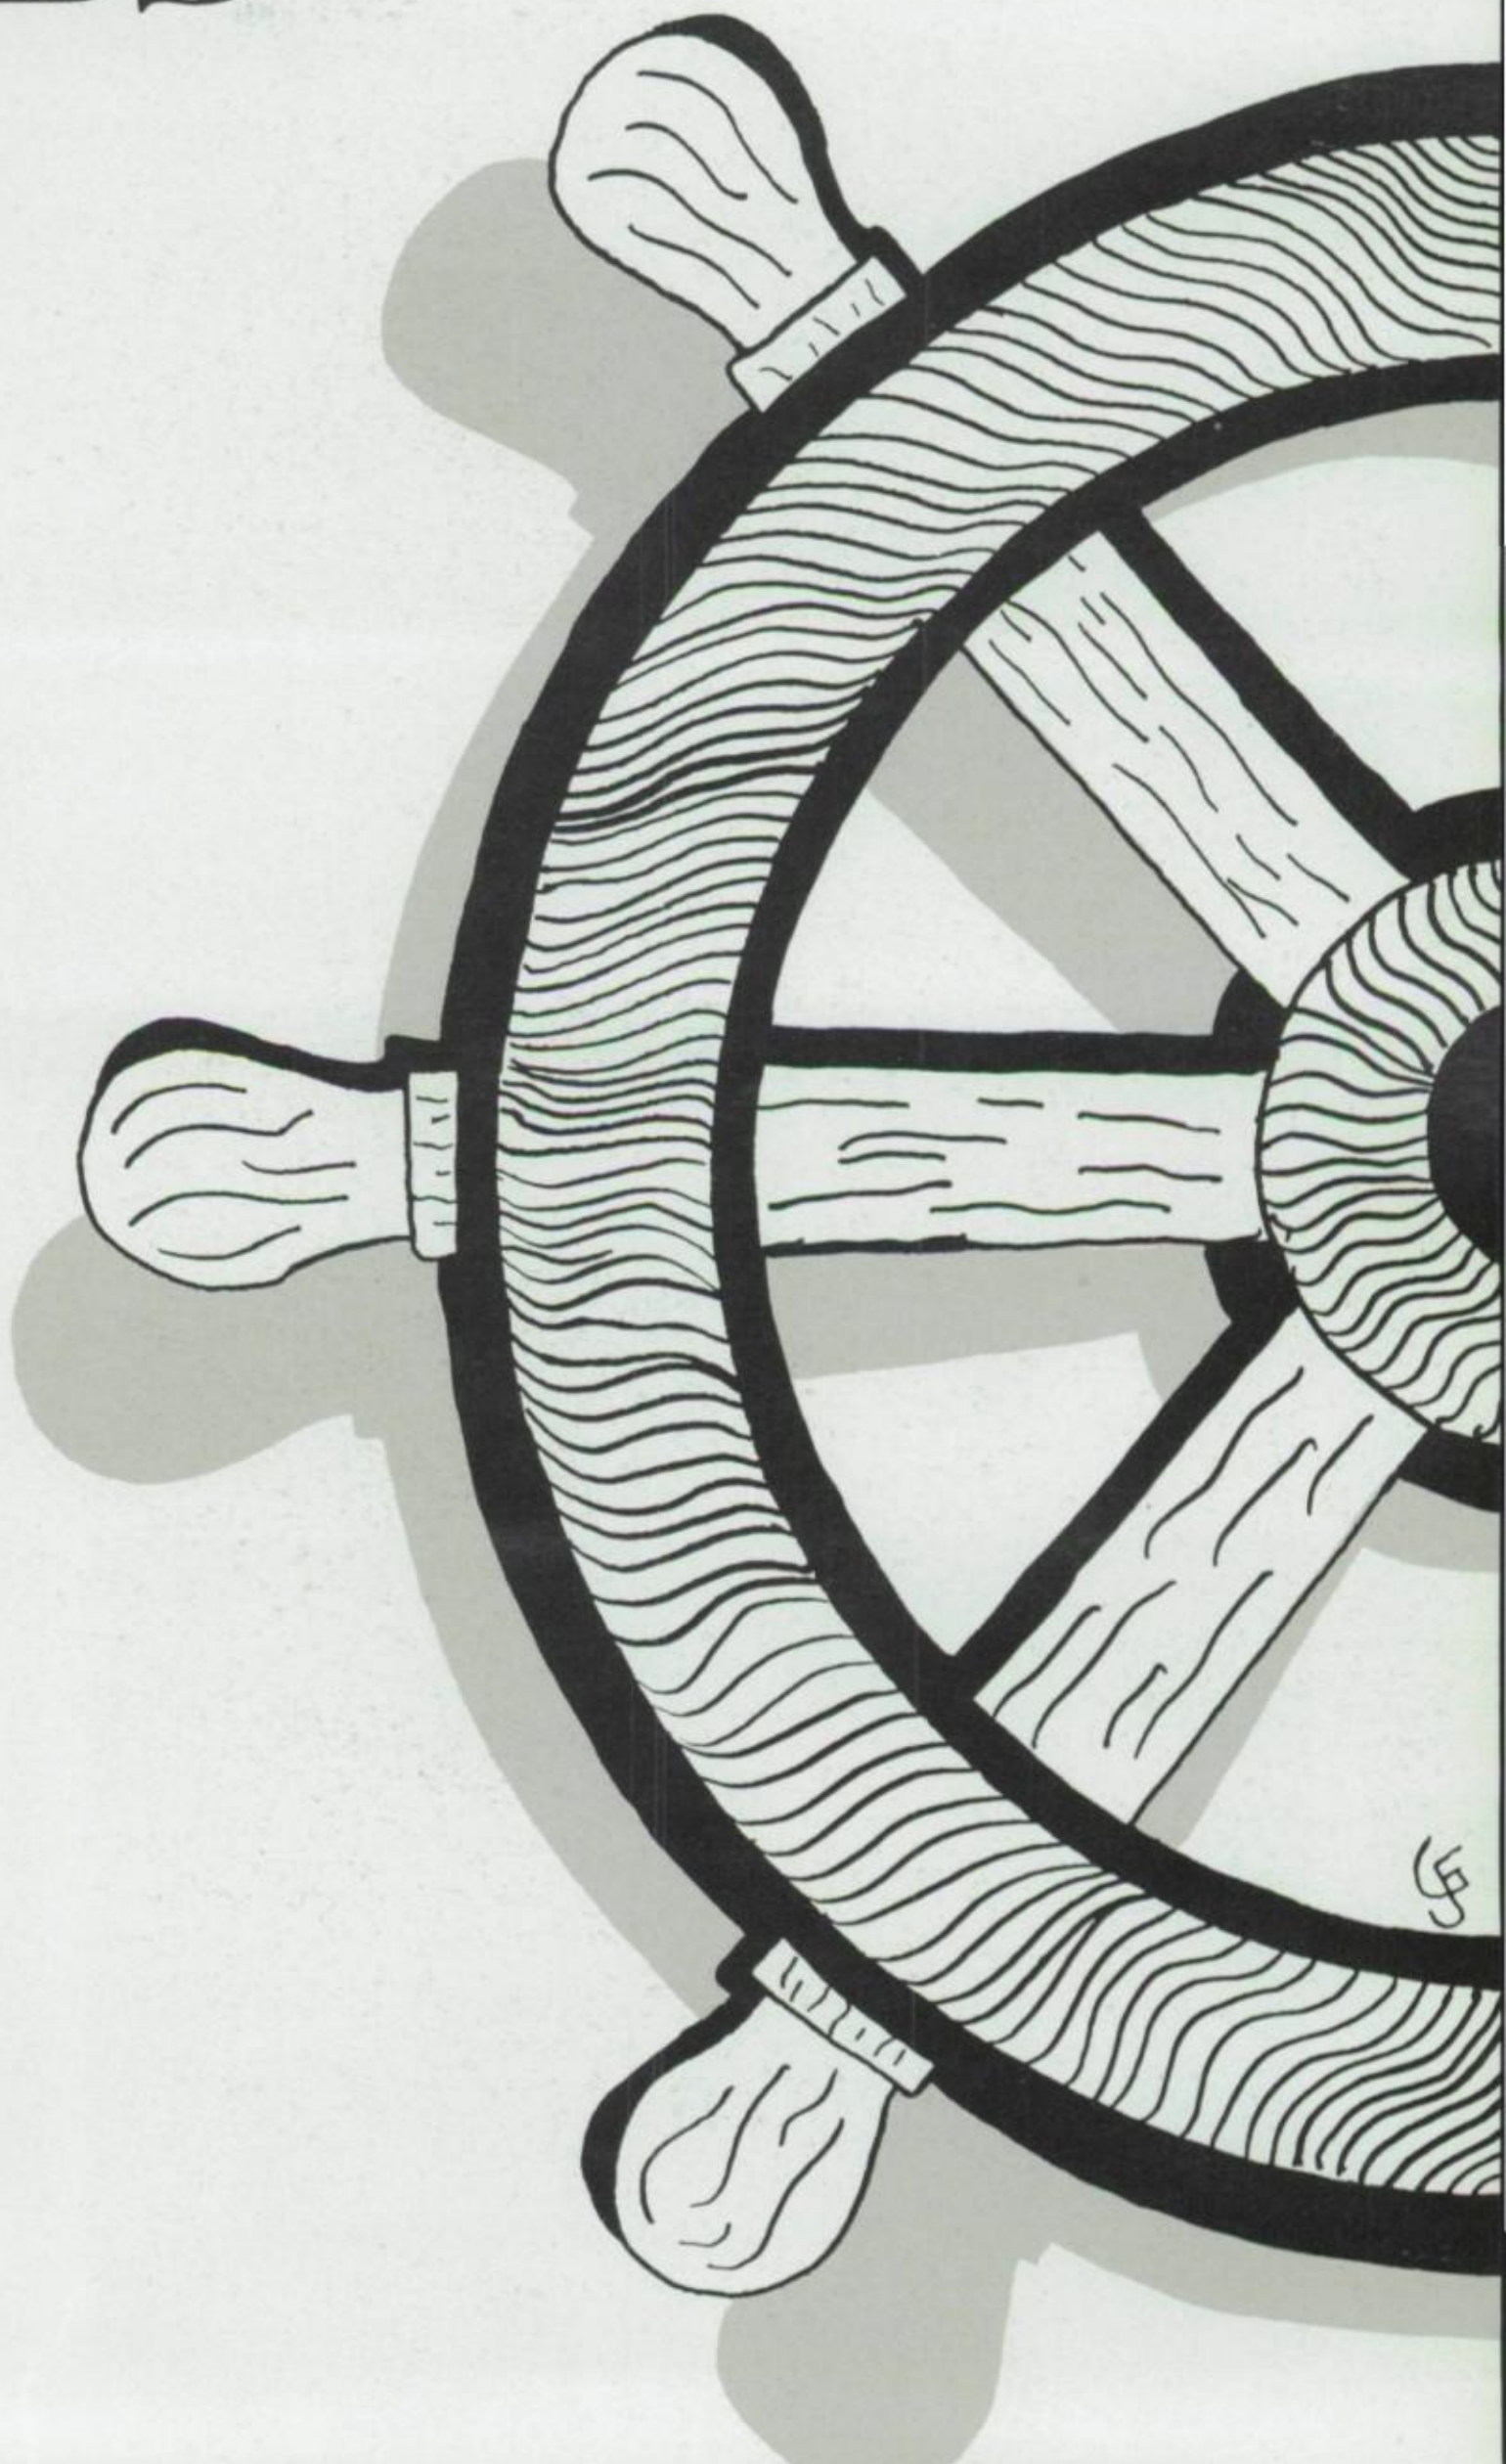
CLUBS



BIKE CLUB

The Bike Club led by Larry Long is made up of seven bicycle enthusiasts. The group organizes trips throughout the school year of varying lengths. Monthly, the group plans day-long rides that usually cover between twenty and thirty miles. On longer excursions the bike club travels to places like the Russian River, along the Pacific Coastline and around the Lake Tahoe area where they camp overnight. Mr. Long comments on the club "We are dedicated to the pursuit of pleasure, health/ exercise, and safety in the fierce arena of our highway system."

BLOCK M CLUB

Many people don't really know what the Block M Club is or does. Well, basically the club is for those athletes who have earned a varsity letter in interscholastic athletics. This is the one requirement to be able to participate in the club. The club is run by Mr. Don Morneau and co-presidents Krista Rendon, Bob Zumwalt, Dan Squires and Jennifer Watson.

The purpose of the Block M Club is to help promote and provide support for school spirit through fund raising events. For example, over the years they have hosted the Harlem Crowns, S.F. 49ers, Oakland Raiders and the KFRC All Stars Basketball Team.

The monies raised in the past have gone to help assist Senior Nancy Ferreira with medical expenses and also to help pay for Block letters and pins for the varsity athletes.

The club is continually attempting to raise the consciousness of the student body regarding the important role sport plays in the high school setting.

Club Moderator Don Morneau states "under the impressive leadership of the officers, this club has successfully sponsored a variety of entertaining events for the Moreau community. We hope to do the same in the future."

KEY CLUB

Many people are perplexed when they hear of the Key Club. "What is it?" they might ask, or "What do they do?" Well, troubled minds, you will soon be comforted to know that the Key Club, moderated by Mr. Schweickert-Stary, is an international organization with branches throughout the United States and Europe. It provides services to the high school community which allow the students involved to develop leadership qualities and to perform CCS hours through projects the club sponsors. The Thanksgiving food drive and Christmas gift drive were only two of their very successful projects.

"The club is starting out small," claims Mr. Schweickert-Stary, "but it has great potential."

Cindy Arthur, a member of the Key Club, says "Even though it's a new club, it has given me the opportunity to develop and strengthen my leadership skills. The experience has been very rewarding for it has made me feel as if I am more a part of my community. I enjoy helping others and seeing the happiness which fills their hearts."

PEP CLUB

The Pep Club has definitely started off this school year on the right foot. Not only do they help provide school spirit in support of Moreau athletics, they also help raise money to support for other sports activities.

When asked how the students benefit by being involved in the club, the club's moderator, Mr. Morneau, said, "It makes them feel good because they are contributing to school spirit.

This years Pep Club has already organized some very exciting events. They had a bake sale and they went Christmas carolling at a rest home over Christmas vacation.

One of the biggest events of this year was organized by the Pep Club. On January 16 of this year, the Harlem Crowns performed in a basketball game against the Moreau faculty. It resulted in being a very exciting and successful event.

So the Pep Club has not only had a successful year, but also an enjoyable one.

SKI CLUB

This year's 1985-86 Ski Club is a good one. This has always been one of Moreau's biggest clubs and the members enjoy themselves every year.

Mr. Watson has been the club's moderator for four years and says that he has always enjoyed this sport and has been skiing for about twenty years.

Their first ski trip this year to Squaw Valley attracted forty-seven members to come along. And if the snow is good, the club will take another trip to Kirkwood at the end of February. Forty-seven students plan to join this trip also.

It looks like this years Ski Club got off to a good start and is still going strong.

CHESS CLUB

Although the chess club has a smaller membership than some other club's, this years 1985-86 Moreau Knights (the club's official name) is a very unique club.

Their purpose is to enjoy the game yet they also strive to gain insight into the strategy. Once a week they stimulate their interests by engaging in a challenging game of chess. Although chess can be a very competitive game, these members try to promote good fellowship among themselves.

It is the first year for Mr. Dave Widmayer as the club's moderator. The co-moderator, Mr. George Watson, is trying this out for the first time also. The moderators as well as the members get a lot out of being in the Moreau Knights. They learn to organize thoughts and strategies by doing things one at a time and in a particular order. The members' goal is not only to master the game, but also to apply the playing experience to other things in life.

COMPUTER CLUB

The Computer Club has been at Moreau for four years now. They have had a successful year under the guidance of their new moderator Susanna Pancella, who has taken over for Mrs. Nichols. This year the computer club went to the Exploritorium for their field trip. They also tried something new, they joined the National Apple Computer Club and entered many Contests. "This year has been really exciting", said Hee Sook Yoo, the officer of the club, "We did a lot of new and exciting things."

This years officers- Hee Sook Yoo, Denise Quintana, Tina Twite and Anna Reyes put much time and effort in making this years German club a success. This year the German club went to The Legion of Honor to see an exhibit of sketches by Leonardo DaVinci. "The students are so conscious of their school work, we were not able to attend all the activities they wanted." Frau Harper comments.

Now in its third year, the Moreau Drama Club is once again bringing out the performer in young people. Headed by new moderator Ms. Susan Sambuceti, the club offers young thespians the chance to explore various aspects of theatre by performing skits, and attending productions at H.A.R.D., Cal State Hayward, and the Little Theatre. The club also coordinates the annual Talent Show. Because they do not want to compete with Moreau's own annual play and musical, the Drama Club does not put on any major productions of its own. Still, the Moreau Drama Club is an excellent way for one to come out of the closet and show one's talents.

BRITISH TELEVISION CLUB

Hail to Her Majesty, the Queen!

Blimey, if it isn't the British Television Appreciation Club (B.T.A.C. for short)! This new, interesting club rose from the ashes of the late, great Park Bench Philosophers (may they rest in peace) and found pleasure by tuning in to TV shows from our overseas neighbors. Founded by senior Karl Swartz, the club delights in watching shows such as "Monty Python's Flying Circus", " Doctor Who", "The Prisoner", and "The Rise And Fall of Reginald Perrin". The purpose of this club is to get Moreau students more interested in British culture and customs. With Mr. Steven Showers as moderator, the B.T.A.C. is an exceptional way to break from the drudgery of American TV.

POLY CLUB

The Poly Club is a blend of cultures from the many islands of the Pacific. The club provides a place for people to come together and grow through recreation. By creating a community that works together, the members are able to give of themselves to others by keeping alive traditions that are unique and important.

Under the leadership of Lisa Aquino, Rochelle Cello, Cheryl Campos, Cecilia Villanueva, and Raquel Balauro and the club moderators Mrs. Levy-Wendt and Mrs. Burgin, the Poly Club began this 1985-86 year with a Jeans Day fund-raiser. Proceeds from this event were donated to a worthy cause of the club's choice.

Following Jeans Day was the annual luau in March. The club's "Island Magic" theme and Tahitian dancers captivated many people who enjoyed the combined cultures at this special occasion. Lisa Aquino, the club's President, stated that the event took a lot of time and preparation, but, all in all, everyone had a lot of fun. From there, the Poly Club held two more fundraisers: an Easter Egg Gram Sale and corresponding to Hawaii's festive and unique holiday - Lei Day - a Lei Day Gram Sale on May 1.

FRENCH CLUB

Madame (Mrs.) Siegel, the French Club moderator, has helped members to further their knowledge and understanding of the culture through various activities such as attending films, plays, and cooking. "La Chevre" and a new wave film called "Subway," both new releases from France, are but two of the movies the club has seen this year. There was one play the club attended during November in San Francisco. It was a play by Moliere called "The Imaginary Invalid." The group has also seen a French video of short stories by Guy de Moupassant.

Yet, the French are not only known for their movies or plays but also, for their fine cuisine. The members had small cook-ins where they were able to cook and taste dishes like crepes and quiche.

As the years have gone by, the growth of membership in the French Club has increased. The ideas of the club have also matured and the members have greatly benefitted from the club and its activities.

THE EXPLORER

It's a bird - It's a plane! No, it's the Explorer staff led by Mr. Marek Breiger. The 1985-86 school year was Mr. Breiger's second year as advisor to the staff.

This year there were about 50 writers in two classes. The classes voted on a "magazine format" for the paper. This meant that instead of news on the cover there was a photo essay. The basic response to this decision was a positive one.

Writer Renza Celotti had this to say about her experience on the paper, "It was fun to write the articles, but the bes part was seeing them in the paper." Editors this year were Brennan M. Harmuth, Keith 'Switz' Switzer, Bobby Robell Craig Rowe, Patsy Alvarez, Julie Fitzpatrick, and Debbie Fa gerlin. A lot of people put in a great deal of time to help mak the paper a success and in the words of Mr. Breiger, "I thin we've done a good job."

THE VOYAGER STAFF . . .

At the beginning of the 1985-86 school year the yearbook staff saw almost entirely new face including that of new advisor Christine Pugliese. To prepare for the production of th yearbook, staff members participated in a yearbook workshop at Cubberly High School in Pal Alto. This along with the help of Jennifer O'Neal and Bob Thomas who both attended a wee long yearbook camp over the summer launched the staff well on its way.

The yearbook staff had many goals for this year's yearbook in an effort to improve th overall quality. One of the first main goals was to improve the photographs. With th dedication of Bob Thomas, photography editor, and his staff of photographers, this has bee accomplished. Other goals included closer attention to misspellings and including more of th student body in the yearbook by covering more school events and the "Seeing Me" sectio Working on the yearbook staff this year has proven to be an exhausting yet rewardin experience for staff members. The Voyager staff feels fortunate to have been able t contribute something so important to the school in remembering this past school year.

Is Keven dead?

Anyways, I hope you have a good future in whatever you're going to do. You should be a pshchiatrist, (sp!) you're the problem solving type! Or because a professional actor.

I won't write the usual "you're sweet stay that way" crap, even though that's the way it is.

ATHLETICS

Dear Greg,

Gosh, I can't believe these 4 years are over. Remember now I met you. The weekends at Berryessa with Shelley were a blast. I'll never forget them. We have to do it just for old times sake. Remember when you had Shelley and me on your back in the water. (HA HA) I know we will be keeping touch. Promise that you'll visit me at Davis w/ Shelley. I just can't get over how sexy your legs look when you have shorts on. Take care over the summer and let's get together when Shelley gets out of the Hospital. I wish you the best of luck at Chabot! Don't forget to KIT. I LOVE YOU!

VARSITY SONG

Each year the Song Girls are regarded as entertainment during football and basketball games. This is only a partial display of their spirit and abilities. The Song Girls perform at many competitions, go to camp during the summer while practicing the remaining weeks, and they practice 2 to 3 hours a day, 3 days a week. Their dedication to their sport is a year round committment, unlike a regular single season sport. They not only practice all summer, but they continue cheering and competing throughout football and basketball seasons.

The Song Girls use "Drum Talk" by Nick Kirchoff as their competition cheer. It has apparently worked very well as they placed 2nd in the Omega Kick-Off rally and lst at the Chabot competition. Some of their half time songs include, "You Spin Me Round", "Mystic Circle" and "New Attitude." Head Song Girl, Sabrina Burigsay, states "We have a lot of talent," and if you've ever seen them perform, you'll agree that's an understatement.

VARSITY CHEER

"Gooo Mor-eau", where have you heard this before? Well if you were ever at a football or basketball game you probably heard it from 10 girls all dressed the same, screaming their hearts out.

This years Varsity Cheer went to Omega with a reputation to uphold. They took second overall and the Mariner crowd won the most spirited award. All of the hard work and practice really payed off.

It all started early in the year at the cheerleading camp where the girls had to work for their fun. And they had a lot of fun.

This years squad has only 3 seniors on it. Dixie Harrison, Chris Singer, and Sandy Coltharp. Dixie was chosen as head cheerleader by the squad. Chris and Dixie have been cheering for Moreau since freshman year and this is Sandy's second.

J·V· CHEERLEADERS

"Hey, boys and girls". "How do you feel?". Well you had better feel good because we're out here doing our best to make sure that you do. We all have to give this year's Junior Varsity cheerleaders a big pat on the back for all of their hard work and dedication to our football and basketball teams. Let's admit it, our sports events wouldn't be the same without them cheering us along. If you thought that you recognized some of the squad members from last year it's because this years J.V. squad is the same squad from last years freshmans'.

"Cheerleading gives me a chance to meet other people and make new friends. It allows me to particpate in many of the school's activities in a very unique way". These are the feelings of veteran cheerleader Kristen Russo and probably for the rest of the squad as well. The girls have a great time out there doing what they do best, having fun. There were, however, long and tedious practices that took alot of patience. Head cheerleader Trish Boyle and the rest of the squad will be tough to beat in future Omega rallies.

1. "It can't be that bad up there Kristen". 2. The J.V. cheerleaders perform at a football game. 3. Michelle Assum and Grainne Sweetman are friends forever. 4. Karen Rich doesn't seem as amused at the basketball game as do Tammy Pena and Kristen Russo.

Surprising New Talent

This year, as in previous years, we received a new batch of cheerleaders to support our sports events. These young ladies went through a long process of try outs and eliminations in the beginning of the year to get where they are today. They really earned their spot. After making the squad, the new rookies found out the thrills of trying to make the crowd of a football game cheer on their team.

The girls not only learned how to encourage participation and spirit but also how to do it in sub-freezing weather. It turned out to be a lot of work and they did an excellent job. Coordinator, Sarah Simonian, says, "I was so surprised to see how quickly these young ladies caught on. They were so organized as if they've done it before. You can't single out the most spirited in this group."

The 1985-86 Frosh Cheer: Xochilt Benadict, Kim Tuazon, Stella Ferreira, Zenny Agullana, Kristin Troiano, Melissa Granados, Tiffany Torquemada, and Sophia Tavares.

1. Sophia Tavares and Kim Tuazon get jumpy for the camera. 2. Stella Ferreira and Tiffany Torquemala seem to be amused at one of the rallies. 3. "Wait a minute! Hold that pose!." 4. The Freshman Cheer strut their stuff. 5. Melissa Granados isn't too sure of what's going on.

VARSITY FOOTBALL

This years varsity football team finished 7 wins and 3 losses. Their record doesn't really tell the true story of how well this team played. For the first time in the schools history, the Mariner Football Team was ranked in the state of California. The team defeated 3 North Coast Section Teams: San Leandro 35-7, Encinal 21-10, and Washington 21-14.

On offense the Mariners were 3rd in the Easy Bay. The offense was led by the running of Braxton Banks, the passing of Craig Rowe, the receiving of Tim Slone, Glenn Baxley, Mike Rossi and Joe Farrish, and the outstanding line play of Dan Squires, Dave Pereria and Mike Wenzler. The unsung players of our fine offensive team were Tim Young and Jeff Chimienti at half back.

On defense the Mariners had 4 excellent games vs. Irvington, San Leandro, Encinal and Castlemont where they only allowed 30 total pts. The defense was led by linebackers: Tim Slone, Eric Archuletta, Jim Redmond, and Rich Valle, with the help from backups Dave Liebowitz and John Looney. The D-Line was anchored by Dan Squires, George Famous and Jim Rosette while the secondary was led by Glenn Baxley and Jrs. Steve Libby and Hayme Lake.

There is no doubt in the mind of this team's coach that the 1985 football team was definitely the #2 team in the North Coast Section. Good luck to all.

FROSH FOOTBALL

Looking Forward To Continued Success . . .

The 1985 Freshman Football squad was one that showed great enthusiasm and effort. The final roster contained forty nine players and all team members contributed to the success of the group. "Our theme this year was improvement, and we surpassed all our goals. I'm very proud of this team," said Head Coach Rich Serrao.

The frosh team emphasizes fundamentals and basics and the growth factor with the 1985 team was tremendous. Continued work and determination will see a fine group of players move up to play J.V. football.

At this years awards banquet, the players and coaches recognized the following players: Most Valuable Player- Robert Buda, Most Improved Player- Marcellus Davis, Most Inspirational Player- Joe Wuelfing, Coaches Award- Joe Schwenger.

Congratulations to these fine players and to all of the team members and the coaching staff looks forward to their continued success in the future.

BOY'S VARSITY CROSS COUNTRY

This Year's C.A.L. League Champs . . .

Imagine running through a dirt trail with trees all around or an open grass field. Now imagine senior Scott Machado passing you up followed by the rest of the Mariner Boys Cross Country Team. This was a familiar sight for many of the opponents who attempted to face the challenge of Moreau's 1985 Varsity Boy's Cross Country Team. Coach Phil Wilder led his team to one of Moreau's most successful seasons this year taking three major firsts in C.A.L., N.C.S. and the Meet of Champions. They also took second place in Northern California.

"It was a great year. We accomplished what we set out to do, we went all the way." These were the words of senior Scott Machado who thought of this year as being one of the best ever. Scott played a big part in bringing his team to victory, but he could not have done it with out the help of junior Shawn Noonan who stayed on the heels of Scott throughout the year. Other runners who had a big part in the teams victory were seniors Eric (Skeeter) Hartman, and Eric Ackermann. The team will have a lot of talent next year to get them through another great season.

JV CROSS COUNTRY

Using their combined talents, the 1985 boys junior varsity cross country team had an excellent season. After a defeat in a dual meet with De La Salle, earlier in the season, the junior varsity team came back to defeat them in the league finals at Crown Memorial Park in Alameda. Outstanding performances were given by Darryl Pretto, Scott Geyer, and Don Heinlein who took first, second, and third places respectively. This sweep of the top three places earned the boys an overall second place finish in the league championships. Contributing to the excellent overall season were three first year runners: seniors George Brumm and Chris Prevost, and junior Tim Avila.

The Frosh-Soph team also had a rewarding season this year as they captured the league championship at Crown Memorial Park in Alameda. The team was led this year by freshman Ben Brauer who ran a number of varsity races throughout the season. This year's team showed a lot of potential for upcoming cross country seasons.

VARSITY GIRL'S CROSS COUNTRY

First Time . . . Meet Of Champions

The 1986 Girl's Cross Country Team ran to another great finish. For the first time in Moreau's history, the girls made it to Meet of Champions. Overall, they placed second in League and fourth in NCS 2A South.

Many outstanding performances were made by many individual runners. Senior Krista Rendon, Junior Kelly Homa, and Sophomore Carrie O'Conner all placed in the League's Top Ten. Throughout the year, their performances were as exemplary as the school they belong to. Their determination led as an example for the entire team.

Determination and pride also dominated the team. Senior Molly Woelfer held a consistent fifth on the team despite this being her first season with the Cross Country Team. Senior Marrianne Guesnon, Junior Ericka Schuh, and Sophomore Denise Ten Bosch, made great improvements throughout the year. Sophomore Beth Gier was a strong number four on the team even though her dislike of distance running. The Varsity Girls self-motivation and supportive coaching by Phil Wilder helped push them on to the coveted Meet of Champions.

J.V. Girls Improve . . .

The Girl's Junior Varsity Cross Country Team coached by Mr. Ferguson led the girls to a second place finish in League. Coach Ferguson said, "Every girl was an inspiration. Each meet their stamina increased."

Freshmen Michelle Britto was the surprise of the year. Michelle finished fourth at the C.A.L. League Meet. Seniors Suzzane Lang, Kim Severeni, and Veronica Xavier were the dedicated leaders of the team. They all made great improvements throughout the year. Senior Maria Finkes was number one on the girls' team. This was her fourth year participating in Moreau's Cross Country Team.

The girls faced many challenges throughout their season. From the sandy beaches of Almaeda to the steep hills of Garin Park, the endurance of each runner was pushed to its very limits. Overall, the team had a tremendous season, and our looking forward to more of the same. With continued support from the coaching staff, this should be easily obtained.

VARSITY VOLLEYBALL

Team Has Winning Year

Varsity Volleyball started out the season with a perfect pre-season record of 3-0 and pulled out an exciting first place finish in the Cal High Tournament. The seniors, Lee Ann Goulart, Judy Halper, and Mary Mc Keon led the Mariners to their victory, with Judy and Mary grabbing All-Tourney Honors.

Finishing a strong second in League with a 10-2 record the team vaulted into the playoffs where they pounded Carondelet earning the right to play Holy Names for the Championship. Although they lost to Holy Names, the Mariners showed they are establishing a volleyball dynasty that should earn them a trip to North Coast Section Playoffs next year.

JV VOLLEYBALL

Start Strong, End Stronger!

The JV Volleyball team started the season with hopes of finishing Ist in league. At the culmination of the season that hope was realized. With 7 returning players the team was strong from the start and proved it with a Ist place trophy at the Cal High Tournament as Chris Raasch and Katie Sweeney were named to the all tourney team. After a 15-2 season, the JV's hope to avenge their losses next year as they seek an undefeated league title.

Returning players this year were Julie Barr, Melody Barbour, Chris Raasch, Katie Sweeney, Marjorie Szto, DeeAnn Louis, and Brenda Hyde. Newcomers were sophomore Beth Guzman and freshmen Juli Caruso, Carrie Henderson, Tina Silva, Melanie Ballecer and Melinda Szto. Those recognized at the end of the season are Chris Raasch-Most Valuable, Juli Caruso-Most Improved, Melody Barbour-Most Inspirational, and Katie Sweeney-Coaches Award. BOY'S VARSITY BASKETBALL

The Boy's Varsity Basketball Team of 1985-86 is rather young, with only four returnees from last year: senior Bob Zumwalt, senior Carlos Zertuche, and the team's co-captains, senior Mike Hansen and Junior Tim Slone. Also on the team are two seniors new to varsity: Aaron Smallwood and Dan Squiers. The remaining eight players have moved up from last year's JV and Frosh teams. Although most of the boys are new to the grueling work of varsity, their Moreau Spirit and enthusiasm has not diminished.

With an 8-6 preseason record. the team opened league play at a school rally on January 10 with the varsity girls' team in a humorous mini- game against the second-graders of St. Clement's Elementary School, and were bowled over 6-4. Fortunately, the Mariner Varsity straightened up and blew away St. Mary's that very night. Coached for the second straight year by Tony Dorado, the varsity bravely faced such threatening rivals as Salesian, De La Salle, and the biggie, Bishop O'Dowd.

1). Bob Zumwalt and Dan Slone look aghast as they are left behind by their enemies on the court. 2). The St. Clement's second-graders literally bring the mighty Mariners to their knees. 3). Steve Libby gets an armful of trouble in his face. 4). Steve Moore soars high above the St. Mary's predators.

J. V. BASKETBALL

Giving Their All

This year's JV Basketball team was a young but very hardworking team. The team got off to a solid 8-5 start in the preseason, including impressive wins over American, Amador, and Foothill. The young Mariners won the Consolation of the Fremont Christian Tournament.

A team which was particularly tough at home, Moreau boasted a very balanced team of twelve atheletes who were basically interchangeable. Guard Robert Alvarado led the team in scoring, while hardworking point guards Steve Sanger and Joel Espinoza provided leadership and were the team assist leaders. Team Captain, Bill Plowman, was the team's most intelligent player and also a defensive standout. Eric Concannon led the team in rebounds while Vince Herrera had Moreau's best field goal percentage.

Best of luck to a fine team!

FROSH BASKETBALL

This year's 1985-86 Freshman Basketball Team is comprised of sixteen very talented and spirit-packed newcomers to Moreau Basketball. Many of them, such as Joe Schwenger and Marcellus Davis have moved right from the successful 1985 Frosh Football Team. Coaching the jump-shooters of 1989 for his second year of Frosh Basketball was Bob McMillan.

Many people have commented on the size of the Frosh players. It is true that they are awfully tall, even though they are so young, but their size combined with their awesome talent made the 1985-86 season satisfying but full of hard work (during games and long practices after school). These young men will be exciting to watch as they move up to the JV and Varsity teams next year.

VARSITY GIRLS BASKETBALL

A Year For Rebuilding

This year's Girls Varsity Basketball Team had some big shoes to fill. Last year's team took the league championship. This year with only five returning players, including team captain, Stacey Pierce, the team faced a tough challenge. The team is once again coached by Paul Phelps and assisting him is last year's J.V. coach Mike Bannister. The competition has been rough for the team this year but, they are gaining invaluable playing experience.

Other players returning include Chris Roberts, Kim Cordoza, Rachelle Jones and Michelle Tom.

In one tough game against Bishop O'Dowd, the Girls Varsity fell short by only two points and the game ended with a final score of 48 to 46. The team faces several more league games this season against tough teams like Corondolet and Holy Names. Best of Luck!

GIRLS JV BASKETBALL

Future Varsity Shines

The J.V. Girls' basketball team this year is working hard. Not many people realize the sweat and hard work it takes to make a sports player, but these girls sure do! Dedication, hard work, and a coach like Sam McCracken is what makes a team good. This team is made up of freshman for the most part. Their fresh eagerness adds vitality to the team. The experience of the three team sophomores, including team captain, Ann Marie Harris, is quite a benefit to the other team members. With the promise of this team our future seem to be pleased with themselves, as Carrie Henderson said, "We're doing pretty good, so far!"

VARSITY SOCCER

A Year Of Changes

The 1985-86 Varsity Soccer team was a team with many new faces. One was the head coach. Omar Rodriguez took over this year for Mark Rich, last year's head coach. The only returning players from last year are Junior Glenn Furlong, Seniors Rob Ham, Keith Switzer, Steve Griffiths, Scott Ryan, and Brendan O' neil. 14 new players filled the gap that was left from the graduation of last years Seniors.

Three of those 14 new players are freshmen. John Michaels, Myles McCormick, and Dave Ducazau are the three freshmen.

With all of these new people, the team got off to a slow start. But with the coaching of Coach Rodriguez, the Mariners managed to bring up their record close to the .500 mark.

Helping Coach Rodriguez this year were Mark Rich, goalie coach Todd Lemke, and assistant coach Craig Wolfe.

This year's team has made many comebacks during games and practices. The highlights of the year included games against rival DeLa Salle and when the Mariners tied a very powerful Dublin team.

Hanging In There

This year's Junior Varsity Soccer team started out with a rough start, but with determination, they pulled themselves together to notch a few victories at the end of the year.

With a new coach and many new freshmen, this years JV team had a lot of learning to do, especially teamwork since most of the players haven't played with each other before. New coach Craig Wolfe had the task of putting this team together.

Tryouts proved to be tough and many people were cut. The final players turned out to be eleven freshmen and five sophomores.

Freshman Craig Barnum led the team in scoring using his left foot on most occasions and Mitch Freitas took control of the midfield. Both of them should be up on Varsity next year.

In the back, freshmen Alfie Vita and sophomore Tim Barnes led the Mariner defense along with goalie Jake Scott.

Helping Coach Wolfe this year was Roberto Lombana, an 85 alumni.

GIRL'S VARSITY SOCCER

DOMINANT FORCE . . .

Although adjustments had to be made this year, the 1985-86 Girl's Soccer Team was again a DOMINANT FORCE in their league. Set backs occurred at the beginning of the year, but the team strongly overcame them to place a close second to archrival Carondelet for the league title. The injury sustained by senior goalie Jennifer Watson was considered to be crucial at the beginning of the year, but junior Janet Zamrow took over and adjusted to the position superbly. The dedication of the team is unbelievable considering the mud they play in and the lack of support they receive.

Despite the extraordinary amount of talent displayed by the entire team, sophomore Kiera McCormick stood out. Her position was center half, but she actually played all over the field. The goals she scored on headballs were amazing. Also playing extremely well were seniors Peggy Spence, and Cami Hart, juniors Anna Atayde and Susie Sornberger, sophomores Gina Moreno and Beth Gier, and freshmen Curshanda Cusseaux and Shanan Carney. Having 10 freshmen on the team is definitely going to help a lot next year in their quest for the title.

VARSITY GOLF

The Moreau Varsity Golf Team returns for the 1986 season as the defending CAL champs. The Mariners finished with a 14 and 3 overall record, and a sparkling 8 and 0 slate in league play. Although the squad lost its number one and number two players to graduation, the returning nucleus along with some talented freshmen, promises to be very tough and competitive.

This year's team is led by junior Paul Delucchi, this year's captain. Returning for their senior seasons are Jeff Fisher, Keith Switzer, Bill Aliski, and Dave Kim. First year players are Jim Mootz, Bryan Carroll, and Angela Shaheen, a transfer from Mission San Jose. Sophomore Ken Fernandez is a first year player with lots of potential. Pete Figueroa, Eric Dimaano, John Kim, Bill Kim, and Kevin Sellards are the freshman members of a promising group of golfers.

GIRLS TENNIS

"A Year Of Firsts"

"It was a year of firsts." These were the words of Ray Breves, the new Girls Tennis coach. "This was the first year that Moreau had ever won any League championship." These young ladies also took fourth place at NCS and had nine players receive NCS awards for accomplishing a grade point average of 3.6 or higher. They were co-champions in CAL and team champions in the Post Season Tournament. Leilani Ruiz took first in singles while the doubles team of Vicki Breves and Catherine Cocard were all around champions. At the JFIC Invitational, Vicki took third in singles letting teammate Leilani take fourth. Catherine Cocard and Sue Harmeyer took third in doubles.

These young ladies also have the honor of saying that their average GPA was an awesome 3.52, one of the highest in Moreau's history. We can expect alot more from these young athletes in the future with the developing talents of Lisa Assum and Kristy Fraser. The team would like to thank Coach Ray Breves for his help and support.

VARSITY BOYS TENNIS

A Swinging Good Season

In only its third year of existence as a fall sport at Moreau, men's tennis has become quite popular. This years team consisted of 12 players: Quang Trinh, John Eom, Craig Land, Charles Perrino, Jason Jun, Chandra Bathwal, John Tien, Dimo Duque, Russel Wong, Kirk Yoshida, Anthony Zuazao, and Ken Der.

This years team was coached by Mr. Dan Leon. This was his first year coaching at Moreau and he set some high goals. "I want the team to develop a winning attitude and respect for each individual. I want to increase their knowledge of the game and teach them good sportsmanship. Having fun is most important, though. If we can accomplish these goals we will have a winning season."

VARSITY WRESTLING

Facing The Odds

This year the Varsity Wrestling Team got off to a great start. They participated in many tournaments which included the John F. Kennedy Tournament where the team placed third, Cato Invitational where the team recorded a fifth place finish, Valley of the Moon which they placed seventh and Lawrence Miller Invitational where the team placed sixth. Head Coach Chet Dickson was joined by Assistant Coaches Manuel Navarro and Rich Serrao this year. First time out senior Don McNair contributed a lot to the team along with returning seniors Dan O'Connor and George Brumm. Dan and George survived four years on the Mariner wrestling Team and will be missed very much next year. First year Varsity Wrestlers Rocco Montaluo (119 lbs.) and Chris Wenzler (191 lbs.) are both sophomores who have been consistent place winners in tournaments. This year the season was a building season because of the number of novice wrestlers. In the coming years, with more experience, the Mariner Wrestling Team will be awesome.

JV WRESTLING

A Building Year . . .

Wrestling is a tough sport that often results in many injuries; but injuries didn't keep the dedicated Moreau wrestlers away from the possibility of victory every time they hit the mat.

This is a first time experience for the four freshmen and seven sophomores who compose a major part of Moreau's Junior Varsity wrestling team. Of the wrestlers returning to face the challenge of another gruelling year are junior Bobby Rios and sophomore Rinaldo Jose.

Coach Dickson mentions, "This has been a building year for the JV team." For wrestlers such as Milo Kuo and Tony Loudani who placed second in the Central Conference Novice Tourament, and junior Bobby Rios who placed second in the Newark Memorial Tournament, Coach Dickson's words definitely apply.

Varsity hopefuls for next year's season include Bobby Rios, Rocco Montalvo, Rinaldo Jose, Chris Wenzler, Kurt Hudson, and Brett Espizita.

VARSITY BOY'S TRACK

Facing The Challenge!

The 1986 Boys Varsity Track Team is led this year by Head Coach Phil Wilder and seven assistant coaches who give a great deal of time and support to the team. Each one of the coaches lead a specific event. Phil Wilder is in charge of the distance runners while Matt O'Brien coaches the sprinters and Joe Martin coaches hurdles. Coaches for the field events include Todd Anderson (shot put and discus), Mike Ferguson (pole vault), Darrin Wright (long and triple jump) and Saundra Keister (high jump). Coach Wilder's philosophy is "Everyone should be encouraged to work to the best of their ability within the team concept; at the same time individual improvement is a priority." Last year the 400 meter relay team qualified for the State Track Meet. This year the team hopes to go back to the State Meet in more than just one event. The sprinters on the track are returning Varsity runners: Joe Farrish, Jeff Chimienti, Dan Osanna, Vince Aguilar, Jeff Marshall and Paul Espejo. Distance runners are some best in the state: Scott Machado, Shawn Noonan, and Erich Ackermann are only a few. Field events are covered by Ed Smith and Tony Castiglioni in the Pole Vault, Dan Squires in the shot and Aaron Smallwood in the Triple Jump.

J. V. BOYS TRACK

About I out of every 10 students at Moreau joins the track team. These students form a committed and close group. They work long and hard while going through two weeks of strenuous conditioning which include a 2-mile run, wind sprints, running up and down hills, stretches, etc, just to qualify for the team.

Some of those students who come together for track form the J.V. Boys Track Team. The J.V. Boys Track Team is looking forward to a good 1985-86 season. There are a number of returning members as well as many new comers.

Some of the promising athletes include Bruce Bigelow, John Dunphy, Tom Mayhew, Ben Brauer (distance runners), John Kealy, Pat Kealy, Paul Oliver (pole vault), Pat Bowen, John Jensen (long and triple jump), Vince Fontanilla (hurdles), Richard Laceay (sprints), and John Varni (shot put and discus).

VARSITY GIRLS' TRACK

Following a terrific season last year, the girls' track team, as a whole, hopes for a Catholic Athletic League Title this year. For the individual athletes, the main goal is to do well enough to make it to the State Meet. Last year the boys' 440 relay team consisting of Joe Farrish, Brian Henderson, Jeff Chimienti and Dan Osanna, and shotputter Jennifer Watson had the opportunity and experience of competing there.

This year the team will be looking for the Guesnon Gang, Lisa Severini, Laurie Hollingsworth and Chris Villaluz to lead the sprints and hurdles. Krista Rendon, Carrie O'Connor, Kelly Homa and Molly Woelffer are expected to bring the team through the distance events. Compiling the points in the field events are Joanne Cordova, Shelly Martin, Andy Botsford, Jennifer Watson, and the Loggins sisters.

There are also many newcomers whose contributions are expected to be great assets to the team. Sprinters and hurdlers to look for are Anna Atayde, Curshanda Cusseax, Tamica Lee, Melinda Szto, Michelle Field and Chris Roberts. A few of the jumpers are Laina Chikhani and Rachelle Jones. Pacing the list of new distance runners are Kerry Dougery, Vicki Templeton, and Amy Bailey. Team leader Krista Rendon feels that "this year's girls' team will be very strong. In addition to the older veterans, there are many outstanding sophomores and freshmen whose talents will help our team to advance."

1. Brenda Loggins gives it everything she's got as Mike Polk whispers directions from behind. 2. Michelle Britto prepares herself for a breathtaking race as Judy Abreu holds the blocks for her. 3. VARSITY BASEBALL

Seeking Top Two In C.A.L.

This year's Varsity Baseball team is off to a great start. The coaching staff is led this year by Mr. Jerry Sheets. He is assisted by coaches Marty Craft and Steve Ortiz. Coach Sheets is very excited about this years team success so far. He hopes to keep up the varsity winning tradition. His prediction is that the team will make the C.A.L. playoffs and finish in the top two. He goes on to say that Moreau has the best varsity infield in the C.A.L., H.A.L., and M.V.A.L., and because of this the team will continue to dominate and win.

This years team captains are seniors John Looney and Glenn Baxley. When asked about their feelings of this years team, they were very optimistic. They both feel that the team has a lot of potential to have an outstanding winning season. This year's team consists of eight seniors, seven juniors, and one sophomore. The team as a whole works very well together and individually they help each other out.

The offensive hitting, team speed, and infield seem to be the strong points for the team. The continued strong hitting by Glenn Baxley, John Looney, Paul Zendejas and newcomers Scott Jacques, Steve Johnston, Jim Park, Dave Liebowitz, Sun Chung and Matt Neideffer will bring the team to victory at the C.A.L. playoffs. The theme of this years team is to "get dirty and have a good time," and so far they seem to be doing a good job.

J.V. BASEBALL

Defending Cal Champs

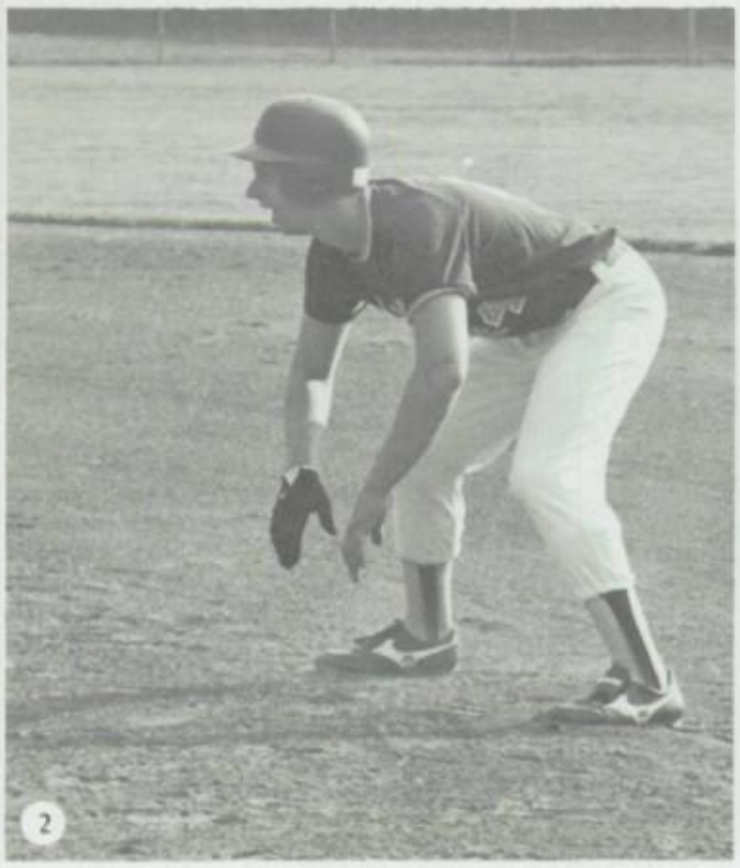
This year's 1985-86 JV Baseball team is a pretty impressive one. The team consists of eight Juniors, ten Sophomores and 1 Freshman.

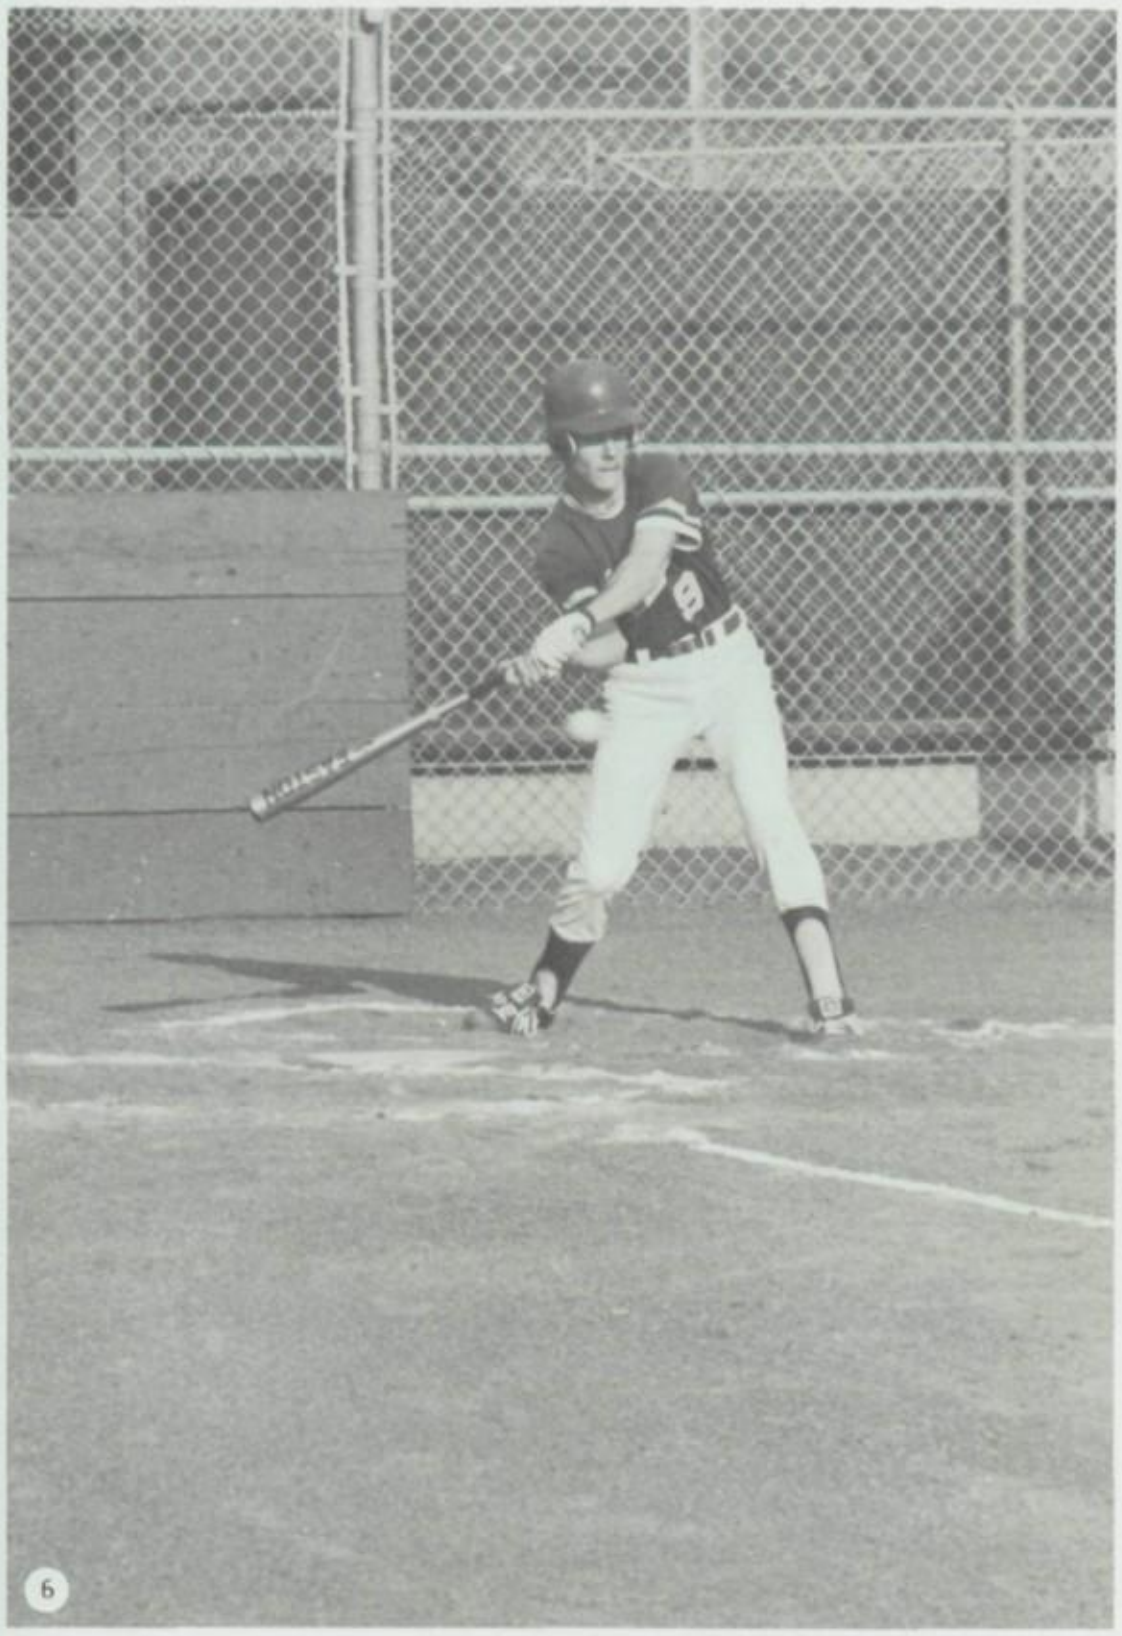
So far in the preseason, these defending CAL champs, are 4-0 and looking very good. Some of the outstanding players on this team include Pat Smith-outfield, Jason Gardner-shortstop, Pete Candelario-pitcher, and Freshman Dave Spencer-catcher.

Mr. Bob Kossick has done a great job coaching the team with the help of assistant coach Hector Petino.

Bobby Robello sums it up perfectly by saying, "If we continue to improve game by game as we have, I see no reason why we shouldn't repeat as league champs."

The 1985-86 JV Baseball team: Top Row: Coach Bob Kossick, Jason Gardner, Pete Candelario, Matt Davis, Bobby Robello, Pat Smith, Jeff Nelson, Ben Wilson, and assistant Coach Hector Petino. Middle Row: Scott Gier, David Spencer, Marcus Dala/Merced, Chris Schusske, Joe Silva. Bottom Row: Andy Ziola, Glenn Dishman, Mitch Freitas, Steve Sanger, Michael McDermott.





2. Pat Smith gets ready to steal that base. 3. Jeff Nelson prepares to hit a homer! 4. Matt Davis ponders the thought of winning a game as Bobby Robello watches closely. 5. Head coach, Bob Kossick, and assistant coach, Hector Petino, look on during the game. 6. Chris Schusske hits the homerun. 7. Good Pitch Pete Candelario!

VARSITY SOFTBALL

Swinging Into Action!

The 1986 Girl's Softball team is a team with a future! Team captain, Michelle Schwenger, is setting quite an example for her team members to follow this year. Returning players from last year's NCS team are Chrissy Freitas, Mary Miller, Joelle Valle, Danette Louis and Dagney Haman. These girls have the responsibility of setting the right examples for the new, younger players. "The team is very young but has a great deal of potential," stated Coach Cole. Each day the effort the girls put into improving their skills becomes more and more apparent. The new players, though inexperienced, are eager to learn and the others are more than willing to help out. The fresh vitality combined with the experience in this team promises to give Moreau an outstanding and impressive Varsity Softball team for the 1986 season.

1. Lisa Assum's skill is shown through her quick shag at the ball. 2. Practicing her unique batting style is Laura Fokes. 3. Mary Miller swings for the ball. 4. Joelle Valle makes a steal for third. 5. Top Row: Coach Cole, Lisa Assum, Dagny Haman, Danette Louis, Mary Miller, Mary Bredderman, Laura Fokes, Kristi Freitas, DeAnn Louis, Coach Tressler. Bottom Row: Joelle Valle, Kathy Nedderman, Joni Halliet, Theresa Young, Audrey Milano, Stacey Arhontes, Maria Finkes, Michelle Schwenger.

1. Coach Tressler evaluates the team. 2. The team is tense as strike two is called. 3. "Now, for the last time . . ." begins Coach Cole in frustration. 4. Audrey Milano gets ready for the catch. 5. Kathy Nedderman swings for the ball. 6. A great throw by Danette Louis. 7. Warming up for a smashing hit is Audrey Milano.

J. V. SOFTBALL

The Moreau Mariner Junior Varsity Softball Team, coached by Hank Lorta, is an enthusiastic group of girls with big dreams and high expectations. The team started practice in mid-February despite the terrible '86 rainstorms, and opened play later that same month. Playing at Patrick Gomer Field in Hayward, the team learned that softball is a very grueling sport that takes many hours of practice after school and on weekends. This does not dampen the team's spirit, however, as they are proud to represent Moreau in this way.

The J.V. team is comprised of nine freshmen and five sophomores. Some of the players are new to Moreau sports, and others, such as Sonia Ulrich, Rachel Torres, and Juli Caruso, have already shown Moreau their tremendous talent in fall sports like volleyball and basketball. With opponents such as Tennyson, Irvington and St. Elizabeth's, the J.V. team recieves support from Moreau and rough competition from the other teams. Assistant to Coach Hank Lorta is Mike Bannister, a former coach for girls' J.V. Basketball.

Young Team, Big Dreams . . .

1) The 1986 Moreau Mariner J.V. Softball Team: (Front row) Assistant Coach Mike Bannister, Sonia Ulrich, Rachel Torres, Juli Caruso, Terry Franckowiak, and Coach Hank Lorta; (Back row) Paige Sammons, Cindy Marquez, Kecia McDonald, April D'ambrosio, Julie Thiede, Andrea Heaven, Dani Lorta, Deana Mills, Jenny Norton, and Kathy Bakker.

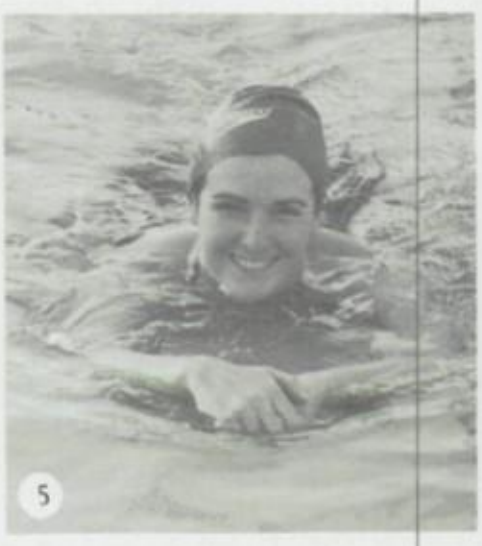
2). Andrea Heaven shows off her industrial-strength pitching arm. 3). Coach Hank Lorta fearlessly tosses the ball to one of his players. 4). With a grimace, Terry Franckowiak demonstrates how she can hit the ball and laugh at the same time.

VARSITY SWIMMING

That lovely smell of chlorine. The enjoyment of drying yourself off with a wet towel. That final 100 yard dash to the showers. This year's varsity swim team had another opportunity to go up to Cal State for what would eventually become the hardest practice in history. All of this work would soon be rewarded by a rough game of water polo or a chance at going to the North Coast Sections.

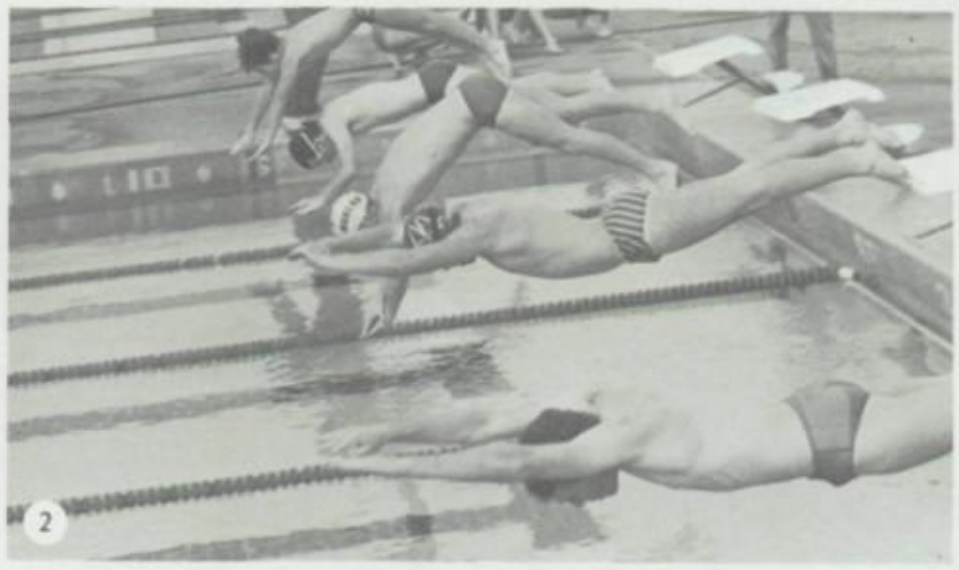
The 1986 Varsity Swim Team is probably the best team within the four years that Moreau has had a swimming program. Among some of the talent: J.B. Brantome, Kevin Desmond, Mary McKeon, Tom Paynter, Mike McKeon, Bridget Lydon, and freshman Kevin Koskella. Coach Rich Serrao's patience was tested this year because the team almost doubled in size from last year's. Coach Serrao stated that "This year's team is a product of a lot of dedication and hard work." "Moreau is going to be represented well at this year's North Coast Sections," Coach Serrao also said, "Now that we are a two-bus team, swimming is going to be one of the major sports at Moreau."

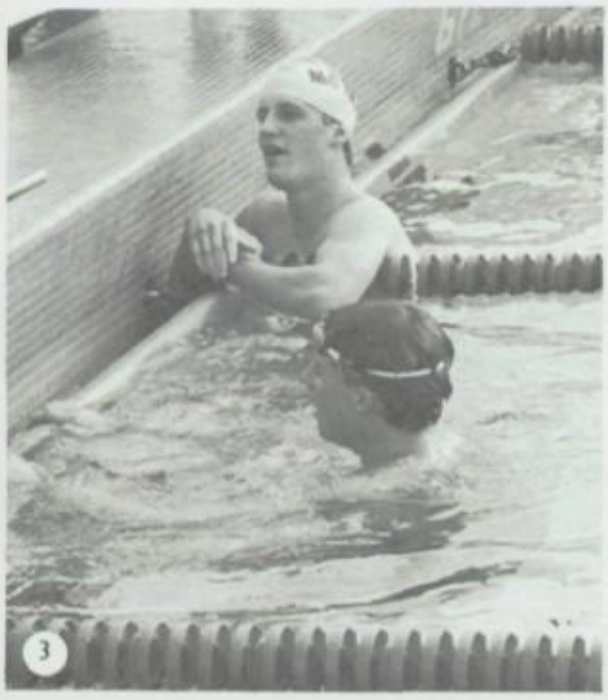
1). The 1986 Varsity Swim Team: (front row) Nicole Ormsby, Mary McKeon, Kim Smith, Nora Lynch; (second row) Michelle Manick, Michelle Koskella, Angela Der, Bridget Lydon, Monica Wuelfing.; (third row) Steve Ulrich, Kevin Koskella, Jim McCue; (fourth row) Coach Rich Serrao, Ben Rogers, John McKeon, Erick Ormsby, Brock McDaniel, Hayme Lake; (fifth row) Kevin Desmond, Ian Land, Jim Redmond, J.B. Brantome, Scott Russo, Tom Paynter, Mike Mckeon.



2). Tom Paynter rests after a hard set. 3). Jennifer Wyman and Nora Lynch rest up between races. 4). Everyone LOVES swim practice!!! 5). Mary McKeon takes a break to grin for the camera. 6). A line of swimmers await their turn at the blocks.

Getting Better Every Year!





1). Jim Redmond, Kevin Desmond, and Ian Land show that swim practice is fun. 2). And They're Off!! 3). Brock McDaniel checks his time after a tough set. 4). Mike McKeon and Tom Paynter kick their hearts out. 5). J.B. Brantome, Scott Russo, and Kevin Desmond give a fish eyes view of swim practice. 6). Coach Serrao analyzes a race. 7). Varsity captains Scott Russo, J.B. Brantome, and Mary McKeon. 8). Kevin Desmond and Scott Russo show off after practice.

J. V. SWIMMING

An Enthusiastic Team!!!

"You put me in what?" "I can't swim that." "I hate the butterfly." Although the 1986 Junior Varsity swim team sometimes wondered why they were doing this, they proved that they were committed by attending the long and hard practices up at Cal State Hayward. Coach Kathy Radecke, whom you may remember from last year's graduating class, held together the largest J.V. squad in Moreau's history of swimming. Thirty-three swimmers turned out this year. Coach Radecke was quoted as saying, "This is the most enthusiastic team that I have ever seen."

Some of the most recognized swimmers are Nikki Leavitt, Matt Fratus, Tim Rogers, and Janice Carney. These four were recognized not only for their swimming ability but also for their support. "The whole team was so dedicated that it made my job much easier." "They thrive not only for the thrill of winning, but also for the opportunity to help themselves." Coach Kathy is very proud of her first swim team and is promising that they will get even better and proceed to Varsity in no time. This is a bunch of very talented athletes.

The 1986 J.V. Swim Team: (front row) Lenny Wiersma, Jason Blair, Sean Baca, Sandra Chang, Tina Dunbar, Joanne Wong, Anne-Marie Mootz; (second row) Coach Kathy Radecke, Kelly Halligan, Janice Carney, Elisa Grant, Julie Manick, Mairead Mitchell, Grainne Sweetman; (third row) Pat Coffer, Manual Ron, Pauline O'Connor, Maggie Farnan, Lee Ann Goulart, Nikki Leavitt, Julia Comphel, Tracy Chiatello; (fourth row) Justin Griffin-Holtz, Brad Pezzaglia, Gregg Bilse, Tim Rogers, Julie Metzler, Matt Fratus, Jennifer Wyman, and Carrie Abascal.

DIVING

1. Lynette Duran jumps high on the dry board. 2. The Diving Team: (top left to right) Michelle Kensinger, Mike Lyen, Charlie Bettencourt, (bottom) Coach Mark Libby, Eddie Fernandes, Frances Lewis, and Brian Hickey. Not pictured: Lynette Duran, Dixie Harrison, Dori Tehada and Michelle Assum. 3. Mike Lyen comes in for a landing. 4. Frances Lewis listens to the coaches instructions. 5. Michelle Kensinger laughs at her last attempted dive.

Head Over Heels!

As last year was their first competitive season the ariner diving team is still new to Moreau. The team s grown in size and the present team consists of ten vers: Lynette Duran, Mike Lyen, Dixie Harrison, Mi- elle Assum, Dori Tehada, Frances Lewis, Charlie Bet- ncourt, Eddie Fernandes, Michelle Kensinger and Bri- Hickey. Mark Libby, a graduate of the class of 1984 is ce again the coach for the team's second season. The mpetition is tough for a spot on the varsity team. The team is only allowed four varsity divers, two girls and two guys. Criteria for the varsity team include proficiency with all five compulsory dives. These dives include: forward dive, back dive, inward dive, reverse dive, and a forward dive with a half twist. The diving meets combine both the compulsory dives with optional ones, and a complicated system of scoring to determine the overall winner. It looks like this year's team will have a very successful season.

To my daughter, Jennifer Dawn —

. . . "Your children are not your children. They are the sons and daughters of life's longing for itself.

They come through you but not from you, and though they are with you yet they belong not to you.

You may give them your love but not your thoughts,

For they have their own thoughts.

You may house their bodies but not their souls,

For their souls dwell in the house of tommorrow, which you cannot visit even in your dreams.

You may strive to be like them, but seek not to make them like you.

For life goes not backward nor tarries with yesterday . . ."

LAND HO!

As the 1986 school year draws to a close, it signals the end of a chapter in the lives of the graduating seniors. Though our paths through life will take us in many directions, we won't forget the many memories that we have had while attending Moreau.

For us, it has been a very challenging year. Though, at many times, we felt frustrated with ourselves, the end result has been well worth the effort. There are many people who have contributed their time and energy to put the yearbook together, and we wish to thank them for their support. Special thanks are in order to Bob Thomas for his never ending enthusiasm and dedication throughout this entire school year. Our advisor, Ms. Christine Pugliese, also deserves a great deal of credit for helping us pull this yearbook together. Without the support she has given us, we couldn't have done it. We hope that you will enjoy this yearbook both now and in the future.

THANKS!

Gregory, so you've completed 4 years at Moreau, was it worth it? Even though you're going to Chabot I hope you go on to a good acting career or whatever you want to do. Chabot's alright though because they have a good speech class there and acting too! Have a Great Summer!

Happy Grad. Mike Delany

Well Greg, can you beleive how fast this year has gone?!! We probably wouldn't have been friends if wasn't for BABES IN ARMS. Huh? Remember how much we hated each other? Well I'm glad we did become friends because you'r a very special person and fun to be wit (except when we're with Mark, then you two rip me apar HA HA HA !!!) Anyway, I couldn't even begin t list all the good memories we've had thi year ... there aren't enough pages in this book! But of course BABES IN ARMS is at the top of the list, ... well maybe the Senior Ball, ... well maybe Barretta's, ... well maybe — who cares, they were all great memories !!!! I'm really going to miss you next year, but of course you' be living it up college style! We got a WHOLE LOT OF LIVIN' TO DO !! I can just see you bumming rides off me all year next year HA!HA! I deserve it after you've been driving me all over tow Well I just want you to know that I care about you! Don't forget ~~Regards~~ Your ole' highschool buddy! Love you kiddo !!! Linda

Dear Greg,

This year has really been great and you've made it even better since were friends. School wouldn't have been the same without you!!! In a way it kinda surprises me that were such good friends since we really didn't like each-other at first, remember? We were forced to eat lunch with eachother only because of Dennene, but it resulted in us getting to know eachother. Not so bad, huh??? It's taking forever to write this cuz I keep watching Whoopi Goldberg. Bear with me... Anyway, your really a good friend and you mean a lot to me. You have such a special personality and a great sense of humor. You always make me laugh!! Stay that way, K? No matter what other people may think of you (like Dennene), I still think your a really nice guy. Were gonna keep in touch, right? Good luck in whatever you do and I hope you'll always be happy!!!! Love always,

Arianna 88
